PETITION FOR LEAVE TO AMEND

Sample Broadcasting Company, L.P., ("Sample") by its attorney hereby petitions for leave to amend the above-referenced application. This amendment is filed pursuant to Section 73.3522 and 1.65 of the Commission's rules to update the broadcast interests of the immediate family of Bruce Linder, Sample's non-attributable principal. In support of this amendment, the following is shown.

This amendment is minor and technical in nature and is provided in order to keep the application true and correct pursuant to Section 1.65 of the Commission's rules.

In order for Sample's amendment to be accepted, it must show good cause. Erwin O'Connor. 22 FCC 2d 140 (Rev. Bd. 1970). requires that the

was granted on July 2, 1992, less than thirty days ago. It is, therefore, timely filed pursuant to Section 1.65 of the rules.

The fact that the station broadcast license is being assigned is a matter completely outside of Sample's control and does not affect the broadcast interests of any of the parties to Sample's application. This amendment, therefore, was not caused by any voluntary act on Sample's part, and will not necessitate any issues to be designated against Sample's application.

In as much as the application has recently been accepted for filing, and has yet to be designated for hearing, there is no reason why this amendment will disrupt the orderly conduct of a hearing.

This amendment will not affect Sample's comparative stature before the Commission and will not unfairly prejudice the Commission nor any other party.

Accordingly, there is good cause to accept the attached amendment
